

3M Science.
Applied to Life.™

Shift into high gear.

This film and overlaminate combination offers low initial tack and high conformability, making it excellent for vehicle wraps, trailers and box trucks.

3M™ Print Wrap Film IJ175Cv3

- ▶ Features 3M™ Comply™ v3 Air Release for bubble-free graphics
- ▶ Low initial tack for easy snap up
- ▶ Excellent slideability
- ▶ For fast installation on vehicles, trailers and box trucks
- ▶ Removable*

3M™ Gloss Wrap Overlamine 8418G

- ▶ Thinner 1.2 mil cast vinyl film with a great feel for managing panels
- ▶ Glossy, “wet paint” look and excellent clarity
- ▶ Highly conformable for compound curves
- ▶ Lighter weight vs 3M™ Scotchcal™ Gloss Overlamine 8518
